OUTSTANDING PENTHOUSE WITH AN OUTSTANDING SEA VIEW

Apartment for sale in Benitachell. The Vistamar apartments on urbanisation La Cumbre del Sol are pueblo apartments stepped down the hillside and enjoying fantastic 180 degree sea views from Moraira to Jávea and out to the Balearic Islands. The access road is above the apartments so the penthouses are on the same level as the road and the other apartments are down some steps. Parking is next to the door to the apartment. One of the two double bedrooms and a shower room with a cupboard housing the washing machine and drier are off the entrance hall. The spacious living room with a working fireplace is separated from the dining room by an arch. Both have the spectacular close views of the sea. The fully fitted kitchen with a window has a wide, arched, opening to the adjacent dining area. Double, sliding glass doors open onto the large sun terrace, part of which is covered for shaded outdoor dining and is open on two sides. The rest of the terrace is open to the sun. A second hallway off the sitting room leads to the master bedroom with an en-suite bathroom with a bath and twin basins. More double sliding glass doors open from this bedroom on to the sun
