### THREE BEDROOM, TWO BATHROOM DETACHED VILLA IN MORAIRA

Villa for sale in Moraira. A modernised detached single storey villa on a 324 square metre level corner plot with a swimming pool and with Platgetes beach, shops, bars and restaurants only 500 metres away. Built in the late eighties, this charming villa has been extended and reformed with a new kitchen, bathrooms and modern double glazing. All three of the double bedrooms have hot and cold air conditioning and one has an en-suite shower room. The large double doored wood burning stove sits in an open hearth providing enough heat to warm all of the villa. Outside there is private, gated parking for two cars, an oval swimming pool with Roman steps, an ample pool terrace with a bread/pizza oven, a store cupboard and a free standing wooden shed. The outside space is orientated to the south west and is mostly tiled for easy maintenance.
