Large villa front line, Moraira

Villa for sale in Moraira. A 363 square metre, two storey, year 1989, detached villa on a large 1447 square metre level plot just a fifteen minute walk along the sea front to Moraira village and less than a five minute walk to the nearest beaches. The coast road runs below the villa so that there is no possibility of any building to compromise the 180 degree front line view. Access is from a side road to the driveway and double garage. Currently the villa comprises a ground floor with three double bedrooms, two bathrooms and a guest cloakroom. A very spacious living room, a dining room, a 60 m2 laundry-utility room, a 70 m2 office-study and a games room. The master bedroom with an en-suite, a dressing room and a private sun terrace are on the first floor. 10 x 5 metre swimming pool, double garage and workshop, barbecue and central heating. A villa in a unique location ripe for reform, remodelling or replacement with a larger super modern villa.
